All is not fair in the game of love and lust...

After going back and forth with Brad, Kelly finally got the strength to make up her mind when it came down to choosing between the mysterious musician and the handsome cardiologist. Kelly chose Mason, and things started to move rather quickly between the new couple. Mason was everything Kelly could ever need in a man, but was he what Kelly really wanted?

After Kelly ended things with her beloved Brad, she quickly came to find out that getting under a new man is NOT the quickest way to get over another one. Brad's overpowering presence still pulls at the strings of her heart, and Kelly finds herself left with an ultimate decision to make once and for all. Kelly's heart is always in the right place, but sometimes love alone is just not enough. Will Kelly break the man's heart who has saved hers, for the man she believes to be the lover of her soul? Will Kelly risk everything that she has found in Mason for the mystifying, delicious Bradley Dubois?

Once reality sets in, Brad finally comes to terms with his true feelings for Kelly, and he wants another chance to prove to her that he can be the man that she needs because he knows without a shadow of doubt he's the man that she wants. Brad offers emotional support to Kelly during a very difficult time in her life, and they find themselves at odds with one another because neither one of them has really moved on with their lives, and are still struggling to let each other go. Is it really over between Kelly and Brad, or will they continue to play the cat and mouse game with one another?

Sasha Deveraux played the game of love and lust raw, and it cost her big time. She was willing to touch the fire, but didn't know that she would have to suffer the consequences. Playing with passion definitely got Sasha scorned, and she didn't even see it coming. Did her affair with Doctor Hottie, his wife, and Devin cost her, her life? Sasha's free spirit and immense appetite for pleasure took her on a wild adventure, but was it worth it in the end?

A Crescent City love affair of love, lust, and obsession.
