## **Human Development and the Spiritual Life: How Consciousness Grows Toward Transformation (The Plenum Series in Adult Development and Aging) Ronald R. Irwin**

The author proposes a theory of the development of consciousness in which ego is the central agent of socialization and culture and the driving force behind individual self-control and self-regulation. He reviews the literature on identity and narrative; outlines the fields of intellectual, self, moral, and consciousness development; and discusses the evidence indicating that the development of consciousness transcends the limitations of conventional ego development.
