## **The Oyster: Volume I** Anonymous

Locus Elm Press is proud to present William Lazenby's licentious continuation of his infamous Victorian erotic periodical *The Pearl*. Within the pages of his six volume magazine *The Oyster* are found tales of utmost debauchery, with no deed or device left to the imagination, all told in sumptuously graphic detail. From lesbian tribadism to bi-sexual couples, gamahuching, rutting, and a spot of voyeurism for good measure.

Volume I is given over to the first 5 chapters of *A Fond Recollection Of Youthful Days* in which our pseudonymous writer and narrator Andrew Scott recounts his days at Nottsgrove Academy for Young Gentlemen. With his good friend Pelham, and under the expert tutelage of the master Dr White, our horny and willing young men will each and together savour the delights of one Miss Lucy. Dr White's 'assistant' wastes no time in teaching our eager scholars all those forbidden practices only their lustful minds have explored. No aperture is left unexplored, no lust left unfulfilled. Their education is about to get **very** physical.

**Volumes II, III, IV, V and VI are also available from Locus Elm Press.**
