Love on Hold: The Wilkins (Book 1, Contemporary Romance) Robin Shaw

First book in a companion novel series.

Millionaire Mariah Culver had finally thought that when she had something good, it'd last—until she discovered that the man she was set to marry in two short months had betrayed her. Devastated, she regretted that she'd trusted another man after the first love of her life, Aaron Wilkins, had broken her heart. When Aaron came back into town, he turned her world upside down by bringing back to the surface feelings that she'd thought had vanished along with his swift exit from her life.

Aaron Wilkins wouldn't have come to his hometown of Bloomfield Township, Ohio, if his parents hadn't put their feet down. They didn't just want him to visit; they wanted him to move back home for good. Aaron soon realized that he couldn't stay home if Mariah Culver wasn't by his side.
