Seduction Is Forever Jenna Petersen

Daring, beautiful, and fiercely intelligent, Emily Redgrave has always seemed to me to be invincible. But after her recent encounter with a deadly assassin, I believe it is best for both Emily and this agency if her next assignment poses less risk of harm to her nimble body.

Her mission: She must do everything in her power to defend Grant Ashbury, the very powerful—and very handsome—Lord Westfield, against the nameless, faceless enemies who seek his utter destruction. Unbeknownst to Emily, Grant will be engaged in his own mission for the Crown—to protect *her*.

Potential difficulties: Destined to chase each other in circles around London, Emily and Grant will be easily frustrated . . . and easily distracted by every flicker of passion between them. Though it could put them in danger, a seduction will be nearly impossible to resist.
