The books in this collection tell the stories of four American girls who lived long ago. You can share their worlds- the friends they make, the struggles and successes they have in school, the excitement of their Christmas secrets, their birthday celebrations, and their summer adventures. You'll see that some things in their worlds are very different from yours. But others- like families, friendships, and feelings- haven't changed at all. These are the important things that American girls will always share. They will come alive for you in The American Girls Collection.
