Barbershops is a tribute to a romantic time when waiting in line was an excuse for a chat and when looking good was a personal mantra. Once a hub of local news and activity, sacred to men and closed to women, the barbershop is slowly disappearing. Barbershops captures the original, beautiful, kitsch, and sometimes surreal beauty of these fading places. Featuring brilliant portraits, unusual decor, and heartbreaking stories, it will transport you to one of the most authentic spaces in our urban environment.
