We are Knock Knock, a product design company with aspirations to greatness. We concoct, manufacture, and distribute witty objects of cosmopolitan panache from our shamelessly sunny perch on the left-hand coast. Our domain is desire rather than necessity, though we seek to infuse our creations with utility and meaning. We believe in the Golden Rule, friendly customer service, and shipping quality merchandise on time, though occasionally we are grumpy, and circumstances beyond our control result in tardiness. We suffer fools not gladly, but for the most part we actually like other human beings. Our customers comprise the impish, the dapper, the droll, the young-at-heart, those who prefer the humor of the truth to false feel-good affirmations.
