Loving Her Bear

*** This is a STANDALONE SHORT. This short has no cliffhangers and ends in a happily ever after ***

Leticia walked around work the next day like a zombie. Being stood up again exhausted her. She wanted to find the right man and start a family, but she felt uncomfortable in her skin. When she was a little girl, she wished she could be Cinderella - tall, thin, blonde, and blue eyed - but wishing did not make it so.

Lorenzo, on the other hand, felt that being a bear shifter was more of a curse than a blessing.

Sometimes, he just needed to let his animal side out, and that didn't bode well in his relationships. The last woman he'd dated, Teresa, seemed like the one. But once she found out about the clan, she left him. Of course, not before sleeping with a few of his friends. She told him he was "emotionally distant." He thought he'd given her everything he had. But, he supposed, that was just the way love went.

A grumpy bear falls for his curvy woman - A BBW Bear Shifter Romance with some cheeky humor
