Six Ways Toward God Apollinaris Darmawan

In *Six Ways Toward God*, Apollinaris Darmawan, a Muslim-born convert into the Catholic faith, clarifies the differences between religions from a very unique point of view, based on core teachings, in the way that were initially delivered. Under the assumption that there is a misunderstanding in interpreting teachings, which has caused conflict between followers of different faiths, Mr. Darmawan realized there is religious wisdom that has been wrong since its inception. Bringing together various religions, *Six Way Toward God* will inspire the reader to examine certain theories and belief systems in order to gain a deeper understanding of the commonality, and the search for the truth, in all faiths. Apollinaris Darmawan was born in Jakarta, Indonesia, and currently lives in Bandung, Indonesia, where he is retired after working for the Indonesian State Railways.
