The Seven Sisters

Margaret Drabble

The Seven Sisters Margaret Drabble

When circumstances compel her to start over late in her life, Candida Wilton moves from a beautiful Georgian house in lovely Suffolk to a two-room, walk-up flat in a run-down building in central London--and begins to pour her soul into a diary. Candida is not exactly destitute. So, is the move perversity, she wonders, a survival test, or is she punishing herself? How will she adjust to this shabby, menacing, but curiously appealing city? What can happen, at her age, to change her life?

In a voice that is pitch-perfect, Candida describes her health club, her social circle, and her attempts at risk-taking in her new life. She begins friendships of sorts with other women-widowed, divorced, never married, women straddled between generations. And then there is a surprise pension-fund windfall . . .

A beautifully rendered story, this is Margaret Drabble at her novelistic best.
