## **Advanced Energy Anatomy: The Science of Co-Creation and Your Power of Choice** Caroline Myss

The energy of creation is real. According to Dr. Caroline Myss, this unlimited power source is available to you right now - if you know the science of how to access it. Now, for the first time, this best selling author and medical intuitive reveals a bold program for excavating the deep unconscious forces that block the flow of energy through your life.

In this nine-session curriculum, Dr. Myss reviews her results with thousands of people in search of healing, and identifies the one power that can literally change the future: your power of choice. Each choice you make can bring you into partnership with the divine, Dr. Myss teaches, in a sacred process of co-creation. To open to the divine mystery, and work with it as your partner in creation, Dr. Myss identifies four central archetypes and seven principles of co-creation. Join Dr. Myss as she explores how to work with these principles, and apply them to the most important areas of your life: money, relationships, career, creativity, and spirituality.

*Advanced Energy Anatomy* guides you to a new understanding of how archetypes and other unconscious forces relate to problems of health, addiction, self-esteem, and victimhood, while opening you to partnership with the divine power that makes everything in life possible.
