While vacationing in Utah's mountain wilderness, Lynn Nelson suddenly finds herself having to deal with her teenage daughter Rory's raging hormones. The object of Rory's passion is their guide, drop-dead gorgeous Jess Feldman, a man the divorced Lynn instinctively distrusts, even as she shields herself from his blazing baby blues. But after Lynn and Rory fall off a cliff of sheared rock, Jess becomes their only hope. Risking his life, he navigates them through the impenetrable forest thousands of feet below, unwittingly plunging them into a danger more menacing than they could have imagined. Exhausted and injured, all they have is one another—a terrified child, and a man and a woman who rediscover passion in each other's arms—as they race against time for their lives.
