What treasures will explorers bring back to amaze us? *MMOs from the Inside Out* is for people with a spark of creativity: it pours gasoline on that spark.

It:

- Explains what MMOs are, what they once were, and what they could – and should – become.
- Delves into why players play, and why designers design.
- Encourages, enthuses, enrages, engages, enlightens, envisions, and enchants.
- Doesn't tell you what to think, it tells you to think.

What You Will Learn:

- Myriad ways to improve MMOs – and to decide for yourself whether these are improvements.
- What MMOs are; who plays them, and why.
- How MMOs became what they are, and what this means for what they will become.
- That you have it in you to make MMOs yourself.

Whom This Book is For:

*MMOs from the Inside Out* is a book for those who wish to know more about game design in general and MMO design in particular. It's for people who play MMOs, for people who design MMOs, and for people who study MMOs.
