Ninez: Spanish Songs, Games, and Stories of Childhood

Virginia Nylander Ebinger

Ninez: Spanish Songs, Games, and Stories of Childhood Virginia Nylander Ebinger

More than forty verses, games and stories of Spanish childhood folklore have been collected by the author from research based largely on archival materials gathered by WPA writers in the 1930s and in current interviews. A number of the pieces can be traced directly to Spain and were brought to America by early explorers and settlers. They serve as a link between the old and new worlds--a way to retain cultural and historical memory and transmit it to succeeding generations. Many interesting variations have occurred over the centuries, always the way with true folklore, as children have played the games and the stories have been told and retold. Literal translations, rules for playing the games and music for some of them are included. Winner of the Southwest Book Award from the Border Regional Library Association.
