Whether you are thirty years from retirement or it's just around the corner, here is the only book you'll need about how to get it together and plan a safe, secure, and prosperous retirement.

We all know the scene: Dorothy is transported from the flat terrain of Kansas to the bizarre land of Oz. Her cry, "Toto, I don't think we're in Kansas anymore," may be the best line to describe how people feel about the retirement landscape. It's one teeming with challenges, from the impact of corporate downsizing on individuals to battered 401(k)s, precarious Social Security, and cuts in pensions and health care benefits for retirees. Many people are intimidated and delay thinking about retirement. That's a mistake.

We're Not in Kansas Anymore is the only guide you need to learn how to deal with the Oz-like reality that is retirement planning today. Walter Updegrave shows how to cut through the clutter, assess your finances, and become your own personal pension manager.

- Get real about retirement. Neither your employer nor the government will adequately feather your retirement nest. You're on your own. Only you can take action and responsibility for your life after work. Walter Updegrave shows how to start now.
- Develop a simple, direct, empowering retirement plan. Cut through the alphanumeric soup of 401(k)s, IRAs, Keoghs, and SEPs, get a grip, and execute a personal plan that makes sense given your circumstances.
- Create a realistic investing strategy and get the most out of your 401(k) and other retirement accounts.
- Ensure that your money lasts a lifetime.

The Tin Man wanted to experience life with passion and emotion. Likewise, you'll improve your chances of creating the kind of retirement you want if you bring some passion and emotion into your retirement plan and then save enough to make it a reality. The Scarecrow thought his life would be better if he "only had a brain." It was the Scarecrow, however, who came up with the best ideas to get Dorothy out of her jams. Similarly, Updegrave shows that any reasonably intelligent person can execute a successful retirement plan and, like the Cowardly Lion, show some courage by having the discipline, willpower, and conviction to follow it through.

We're Not in Kansas Anymore is the best, most thorough, and most empowering retirement guide in print today. Don't leave Kansas--or anywhere else for that matter--without it.
