Freak Jennifer Hillier

From suspense author Jennifer Hillier, whom Jeffery Deaver has praised as “top of the line thriller writing,” comes *Freak*, a sequel to her debut novel *Creep*.

Suspense magazine chose Jennifer Hillier’s “truly frightening” debut, *Creep*, as one of 2011’s best novels, while #1 bestselling author Jeffery Deaver cautioned “you better call in sick—you’re not going anywhere until you finish reading.” Now, Hillier returns to the Pacific Northwest college town where one killer’s stranglehold has ebbed . . . but another sick mind has waited for the perfect moment to pick up where the terror left off.

Sitting alone in a maximum-security prison cell, Abby Maddox is a celebrity. Her claim to fame is the envy of every freak on the outside: she’s the former lover of Ethan Wolfe, the killer who left more than a dozen dead women in his wake and nearly added Puget Sound State professor Sheila Tao to the tally. Now Abby, serving a nine-year sentence for slashing a police officer’s throat in a moment of rage, has little human contact—save for the letters that pour in from demented fans, lunatics, and creeps. But a new wave of murders has given Abby a possible chance for a plea bargain—because this killer has been sending her love letters, and carving a message on the bodies of the victims: *Free Abby Maddox*.

Jerry Isaac will never forget the attack—or his attacker. The hideous scarring and tortured speech are daily reminders that the one-time Seattle PD officer, now a private investigator, is just lucky to be alive. Abby Maddox deserves to rot in jail—forever, as far as Jerry’s concerned. But she alone may possess crucial evidence—letters from this newest killer—that could crack open the disturbing case. With the help of Professor Sheila Tao, seasoned police detective Mike Torrance, and intuitive criminology student Danny Mercy, Jerry must coax the shattering truth from isolated, dangerous Abby Maddox. Can he put the pieces together before Abby’s number one fan takes another life in the name of a killer’s perverted idea of justice?

From reader reviews:

Chris Hernandez:

What do you think of book? It is just for students because they're still students or this for all people in the world, what the best subject for that? Just simply you can be answered for that problem above. Every person has diverse personality and hobby per other. Don't to be obligated someone or something that they don't want do that. You must know how great and important the book Freak. All type of book could you see on many solutions. You can look for the internet solutions or other social media.

James Cansler:

The reason why? Because this Freak is an unordinary book that the inside of the guide waiting for you to snap that but latter it will distress you with the secret the idea inside. Reading this book next to it was fantastic author who also write the book in such amazing way makes the content interior easier to understand, entertaining approach but still convey the meaning totally. So , it is good for you because of not hesitating having this anymore or you going to regret it. This amazing book will give you a lot of rewards than the other book possess such as help improving your expertise and your critical thinking technique. So , still want to postpone having that book? If I have been you I will go to the guide store hurriedly.

Teresa Hennessey:

This Freak is great publication for you because the content that is full of information for you who also always deal with world and possess to make decision every minute. This book reveal it details accurately using great plan word or we can claim no rambling sentences inside it. So if you are read this hurriedly you can have whole info in it. Doesn't mean it only gives you straight forward sentences but hard core information with attractive delivering sentences. Having Freak in your hand like obtaining the world in your arm, info in it is not ridiculous just one. We can say that no book that offer you world within ten or fifteen minute right but this reserve already do that. So , this can be good reading book. Hey Mr. and Mrs. active do you still doubt that will?

Bruce Sandlin:

As we know that book is very important thing to add our knowledge for everything. By a reserve we can know everything we would like. A book is a pair of written, printed, illustrated or even blank sheet. Every year ended up being exactly added. This reserve Freak was filled about science. Spend your spare time to add your knowledge about your research competence. Some people has distinct feel when they reading the book. If you know how big benefit from a book, you can feel enjoy to read a reserve. In the modern era like right now, many ways to get book that you wanted.
