## **My Notre Dame: Memories and Reflections of Sixty Years** Thomas Stritch

In this memoir, Thomas Stritch turns a loving, reflective eye on the university to which he came as a freshman in 1930 and in which he remains today, as Professor Emeritus of American Studies. Stritch pretends to no more than a personal view, but this collection of memories, observations, and impressions of the people and ideas behind Notre Dame's growth as a university is shaped by sixty years of experience and offers an insider's view of the university community.
