## **Shutterspeed** Erwin Mortier

A wonderful, balanced novel about how the remains of the past reverberate in the present, *Shutterspeed* sensitively and delicately describes the powerful emotions which lie just beneath the surface of the unruffled sheen of village life. Joris' father died young, and his mother moved to Spain, so he has lived with his aunt and uncle since early childhood. He is quiet and introverted, and his aunt and uncle fear that he harbours a deep resentment for the loss of his parents. The gentle pace of life in the village is suddenly disturbed when a decision is made to remove the cemetery in the centre. For the boy, this awakens various emotionally charged memories of his dead father. The book ends with the death of the boy's foster parents, marking a definitive end to his youth.
