Beau's passion burns hot for Harley Montoya. When he discovers that the woman who has enflamed his libido is the girl he fell in love with so long ago in a runaway shelter, he is overcome with joy. But Harley - or Nada as he knew her - has been burned by tragedy. They both live lives full of adventure. He builds custom weaponry and owns a reptile preserve, and she is an EOD expert - Harley defuses bombs for a living. But nothing is more explosive than the love they share.

Beau is determined to show Harley that he is worthy of her trust and that he is willing to protect her from anything that would cause her harm. But Harley has a mad-man on her trail and she can't walk away from her responsibilities. Bombs, alligators, haunted plantations and Louisiana lore spice up their life, and danger and ghosts from their past threatens to tear them apart - but nothing can put out the white-hot flames of their Burning Love.
