Family Life Now Census Update with NEW MySocLab with Pearson eText -- Access Card Package (2nd Edition) Kelly J. Welch

A candid and thoughtful conversation about family life.

Welch's text combines the personal touch and scholarly expertise of an outstanding teacher.

Family Life Now Census Update 2e explores the ways that family members and intimate partners interact, and examines how families adapt to stresses, changes, and everyday challenges. As products of our families of origins, who we are and who we become is influenced by our family lives, a central theme woven throughout the book.

This book follows the Family Life Education framework to examine marriages, families, and intimate relationships. Throughout the text, theories from the fields of sociology, family studies, psychology, lifespan human development, and other social sciences are integrated so that they can be applied to real life situations. The text also presents enough biological science to explain some of the physical realities of who we are and why we behave as we do.

The Census Update program incorporates 2010 Census data into a course—simply and easily. The components of the Census Update Program include an updated census edition with all charts and graphs—to reflect the results of the 2010 Census. In addition, *A Short Introduction to the U.S. Census* is available and an updated MyFamilyLab.
