Suzanne Brockmann

HARVARD'S EDUCATION (Tall, Dark and Dangerous) Suzanne Brockmann

New York Times and USA TODAY bestselling author *Suzanne Brockmann* has thrilled audiences with her *Tall, Dark and Dangerous* series. Experience it here with a hero who must face the most daring adventure of all—falling in love.

It was an experiment...but no one could have predicted the results.

For eight weeks FInCOM agent P.J. Richards is being given access to the absolutely no-women-allowed world of the US Navy SEALs, and she isn't about to let anyone tell her she can't hack it. P.J. can't afford to be distracted by anything...or anyone. And that includes Senior Chief "Harvard" Becker.

Harvard believes that there is no room for women in a combat zone. It's too dangerous, too tough...and with P.J. involved, too distracting. He might respect her sharp intellect and her shooting abilities, but he still doesn't want the responsibility of making sure she stays alive. But P.J. isn't a woman who backs down easily, and to her mind, Harvard has a lot to learn. She just doesn't expect him to be so eager to instruct her on other subjects...like trust, desire and maybe even love.
