Homeowner's Complete Guide to the Chainsaw: A Chainsaw Pro Shows You How to Safely and Confidently Handle Everything from Trimming Branches and Felling Trees to Splitting and Stacking Wood Brian J Ruth, Jen W Ruth

Taking the fear out of chainsaws by emphasizing safe handling practices, this resource aims to put raw power in the hands of everyday yardworkers. With step-by-step color photographs throughout, 12 of the most common household chainsaw operations--such as cutting firewood, taking down small trees, trimming branches, grooming hedges, and making lumber--are tackled with expert advice and sure-handed guidance. With an additional section devoted to chainsaw types, potential buyers can also assess which size and type of chainsaw best meets their needs. Also included is an appendix that has useful technical information and identifies the parts of a chainsaw and how each functions.
