"Another Winner By This Author"

5-Star Review Amazon Verified Purchase by Heather Quinton.

I was happy to see that a Paleo diet can be extended to one of my favorite comfort foods: pastries. I am a big fan of cakes, muffins and all sorts of baked goods. One of the family favorites is the Raspberry Swirl Cake. The children's favorite and most requested recipe is the Chocolatey Banana cupcakes. They seem to be the envy of their classmates.

The title also made me laugh as it is a reference to the classic movie, "The Wizard of Oz", starring Judy Garland. For those of us old enough to remember, it was a great movie and big production for its time.

Don't forget about the triple bonus. This book is all about value and the bonuses do not disappoint.

"What a Wonderful Collection of Paleo Recipes!"

5 Star Review Amazon Verified Purchase by Mandus.

What a wonderful collection of recipes! I'm a huge Paleo fanatic and I always try to gather as many recipes as I can. This book however, stood out from all of the other books I have read on the subject. They were just so easy to prepare and make, and the taste is unparalleled. It is as if I'm not really eating according to Paleo guidelines at all. And considering the price, the number of recipes contained in this book is ridiculous. Go and grab yourself a copy!

"International Paleo Recipes."

What a great book! I love deserts, especially muffins and gourmet cakes. This book has 59 of the most

delicious muffins, cakes, and cupcakes, all gluten free with low carbs. It doesn't get any better than this - eat what you love and stay healthy. The author did an excellent job putting this book together. I made the carrot cake and the fruit and nut cake the other day, and it came out perfect!
Two thumbs up!

"Great Collection of Recipes."

This is an outstanding collection of recipes which adhere to the Paleo diet. The author did a great job selecting the recipes that would be included in this book. They are easy to make and tasty! There was also some discussion of the Paleo diet and its benefits. Overall this is a very good book which contains an excellent set of recipes that are ready to be used and tasted.

This is the second caveman recipe book I've bought by the "paleo man", Tag Powell and it doesn't disappoint. Lots of delicious sounding recipes presented in a clear, no-nonsense way. (I'm going to try the Greek Honey Cake recipe tonight!) Oh, and there's a generous bonus at the end of the book too.
All in all, good value.
