Legends of Country Music - Garth Brooks James Hoag

Garth Brooks has been certified one of the bestselling artists in history. In the United States, he is third, only behind Elvis Presley and The Beatles. That includes all types of music, not just country. The Legends of Country Music explores the life of Garth Brooks, but more importantly, it considers the music that he produced. Garth's special talent was to combine rock and roll and country into one new sound that has taken the music world by storm. Country music has never been the same. Active for, really, only about twelve years, Garth Brooks achieved a fame and following that other performers just dream of. He has sold more than 130 million albums and he is still young enough to do more. Garth Brooks "retired" in 2001, but has been somewhat active ever since, including three-years performing at the Wynn Hotel and Casino in Las Vegas.

Have you ever wondered who the real Garth Brooks is? Read Legends of Country Music - Garth Brooks to find out.

This book covers his early life, his first wife, Sandy Mahl, his second wife, Country superstar, Trisha Yearwood and his retirement and, of course all of his hits. And who was "Chris Gaines"?

Click On "Look Inside" to see the Table of Contents and Introduction to the book.
