Discover how to make the ultimate change when the time is right, one that brings peace, contentment, and bliss, when you read *Peaceful Transition* by Dr. Bruce Goldberg.

In *Peaceful Transition*, Dr. Goldberg, a renowned past-life regression therapist, takes you on a journey like no other: that of letting go of your fear of death. He shows you the process of "conscious dying"—how to maintain a connection between your subconscious mind and your Higher Self at the moment of physical death. With this powerful technique, you will be able to face death with a sense of honor and peace. You will learn how to liberate yourself from the disorienting forces of the karmic cycle. To die without losing consciousness is at the very essence of immortality and enlightenment.

- Erase negative karma and shorten the karmic cycle
- Enjoy instant recall of your past lives
- Learn to die as well as you have learned to live
- Call on spirit guides for assistance
- Uncover the mysteries of what happens to the soul between lifetimes
- Learn to teach others the art of conscious dying
- Provide better care for your terminally ill loved ones
- Shorten the bereavement time for loved ones left behind

Peaceful Transition guides you in how to think, feel, and act before and during the moment of death. It presents actual case histories of patients who have successfully used these techniques, as well as exercises for you to use as a guide for your own transition.

You will also learn historical approaches to conscious dying, from sources including *The Tibetan Book of the Dead*, *The Egyptian Book of the Dead*, Greek Mystery Schools, Christian Masses, Emanuel Swedenborg, and Theosophy.

Bring peace to your heart now, and honor and strength when you need it later. Get *Peaceful Transition*.
