What God Has Joined Together: The Lord's Definition of Marriage H. Lynn Stone, Mary Ruth Stone
What God Has Joined Together is founded on the words of Jesus. This book explores the marvelous conceptual definition of marriage with seven distinct elements. The authors name these seven concepts: the principles of personhood, paradise, equality, "help meet" companionship, leaving, cleaving, and sexuality. Hopefully, loving couples desiring deeper passion, love, contentment, and fulfillment will discover anew the joys of paradise restored through the wonderful grace of covenant-commitment, forgiveness, and faith. At the same time the reader can discover Bible-based guidance for young couples and Biblical hope and restoration for threatened homes.
