Heidi Ray has a decision to make. It's a decision she probably should have made before she accepted the engagement ring. Tyler McAlston had the ring on her finger before she had a chance to think it through. But Tyler is a good man. Why wouldn't she want to marry him?

Unfortunately, Tyler isn't the only person in Heidi's life making her think. Heidi can get along with nearly anyone. She is starting to realize, however, that true happiness sometimes requires more than simply getting along. After much prayer and reflection, several of Heidi's relationships will begin to look different.
