SWFG: Single, White, Female, Geek.

That's me, Lexi Carmichael, a reformed hacker who was gainfully employed by the National Security Agency. But a series of extraordinary events led me to leave government life behind for a fresh start with a brand-new company and an incredibly sexy boss, Finn Shaughnessy. It may not be kosher to have the hots for your boss, but he seems to have the hots for me, too. If only things didn't get so complicated...

Darren Greening, a genius researcher from Flow Technologies (our first client!) is missing, and his bosses think I'm involved. And they aren't the only ones—the man who nearly snapped my neck in the parking garage thinks so, too.

Now I'm caught in the middle of a complex and dangerous case. I'll have to use all my geek skills and a little help from my friends to solve the mystery of Darren's disappearance before Neck-Snapping-Man makes a return visit...
