What happens to the perfect family when a teenage boy comes out? That's the question the Davidson family must deal with. Jamie, the gay son, just wants to live his life out of the shadows. Maggie, mother, teacher and psychologist, will do anything to protect her child, even side with him against her husband. Mike, a loving, giving father can't reconcile his beloved Catholic Church's indictment of homosexuality with his deep unconditional love for his boy. And Brian longs for things to go back to the way they were before the jocks at school started to taunt his brother and turn against him. But when tragedy strikes Jamie's new boyfriend, they all begin to look at their lives differently and work harder to save their perfect family.
