Another political year is upon us . . . a year in which we elect another useless figurehead to piss off the masses, confuse the classes, and, above all, reward the jackasses. It will be a time of fear, angst, and anger, the perfect moment for *The Snark Handbook: Politics and Government Edition*. Filled with quotes, jokes, and timeless snarks, this brave foray into the political theater, old and new, will serve as a priceless source of sanity as you navigate the asylum.

In the same inimitable style as the previous bestselling Snark titles, this timely entry is guaranteed to amuse and entertain. The wit and humor of Lawrence Dorfman shines in this collection, where he highlights the ineptitude and malice that is American democracy. You'll see first-hand the shenanigans that started with our Founding Fathers and still continue bravely on today. Hail to the Chief!
