(love story, contemporary romance, hidden secrets, women's fiction, alpha heroes, beach reads, cops, small town, prison, falling in love)

Once, Ellie Kendrick was the only thing that Dominic Gabriel wanted, until five years ago when she left abruptly. Now she's back and her version of what happened between them so long ago makes him question everything he knows about himself as a man... and since he is now a lawman who lives by a strict moral code, he finds himself challenged to make things right.

He knows that they might have to look back in order to move forward... but can their rediscovered attraction survive the darkness of the past?

This is a category length story of 30 000 words. It is a prequel to the upcoming Untouched, but stands alone- no cliffhangers.
