In this remarkable collection of interviews with seven people who've died, Irene Kendig, with the help of a gifted medium, explores what happens when we transition from physical to non-physical life. Each of the seven dialogues begins with the same question: What did you experience when you released your last breath on earth?

This book is for anyone who has ever wondered whether there is a Heaven or a Hell, a Judgment Day, or a reunion with loved ones. It will illuminate and inspire your heart and mind whether you believe in an afterlife or not. These dialogues explore life from a spiritual perspective, which elevates consciousness and empowers you to make choices in alignment with your soul's purpose.

The responses offered by Ms. Kendig's loved ones not only diminish fear of dying, they provide solace for those who grieve, and inspire all to live courageously, joyfully, and respectfully . . . now. If you are hungry

for spiritual truth and meaning, this book is a banquet of knowledge, wisdom--and peace of mind.
