Eden Grant craves a life of intense experience. She yearns for the breathtaking man who makes her heart beat fast. The dominant male who can unleash the dark passions she is desperate to explore. Fate offers up the chance encounter that tempts Eden to brave a walk on that wild side.

"Live life at its richest and most raw" is Hud Crockett's credo. And when he meets kink-curious Eden Grant, she is the submissive of his unbridled dreams. Together they embrace their wicked desires, fanning the flames of lust to orgasmic heights.

But an introduction to carnal pleasure leads to emotions that cannot be shackled by expectations or tamed by conventions. The conventions--and complications--that may destroy their fragile love. Eden will do battle for her Dom, but can she overcome the darkness of his past torments? One last contest will decide the victor. Society is the referee. The opponent is Hud's past. Hud has fame, fortune and power, but he will risk it all as the clock runs down in the most important game of his life: the contest to win Eden's heart.
