Love's Medicine (Surf Bay Book 4) Ashley John

Justin White didn't expect to fall in love with his best friend, Sammie Cooper, but he couldn't stop himself. Since their teen years, they've been inseparable, but as each year passes, it becomes harder and harder for shy Justin to confess his true feelings to his charismatic and promiscuous best friend. Keeping secrets has become second nature to Justin, as his love for Sammie isn't the only thing he's concealing from the world. In the shadows of his home, his mother is slowly dying, and despite stealing painkillers from the hospital, there's nothing he can do to save her.

Sammie Cooper never thought his casual and sexual relationship with his boss at the nightclub would ever turn into anything serious, but when Finley offers him a briefcase stuffed with money to follow him to England, he doesn't know if he can resist the lure of the cold, hard cash. Sammie is faced with a decision that he never thought he'd have to make, and things only get more complicated when he makes a shocking discovery about Justin's life.

Can Justin start telling the truth to keep hold of the only man he'll ever love? Can Sammie turn down life changing money to risk it all on the unknown?

One is scared of love and the other is scared of commitment. Justin and Sammie thought they could make it through anything together, but their crumbling lives threaten to rip them apart. Both are faced with difficult decisions, but will they make the right ones?
