Ever since his partner died, Frank has resigned himself to staying single. He wards off the loneliness by spending time with friends on the paintball field and running his high-end brothel, the Market Garden.

After one of his most lucrative rentboys quits, Frank is thrilled when a gorgeous replacement walks through the door. A former US soldier, Stefan is hot, bold, and perfect for the Market Garden's clientele, especially those with a thing for camouflage and drill sergeants. He's perfect for Frank, too, except Frank has a rule about not getting involved with his own rentboys.

During a frisky game of paintball, Stefan makes it clear that he doesn't care about the rules. Not the rules of the game, and definitely not Frank's refusal to get involved. He captures Frank on the field using stealth and cunning, and makes it clear that he'll do anything to keep a hold of him off the field too.
