Grassroots Approach to Church Growth and Mission is a document that emphasizes the involvement and mobilization of the laity in the church's mission. The focus is upon empowering the members of the church as the body of Christ to carry out Christ's ministry of reconciliation.

This book focuses on a Christo-praxis theology, the Lordship of Christ, the Holy Spirit in church growth and mission, the Scripture as a manual for church growth and mission, the priesthood of all believers, the servant leader and disciple maker, the equality of men and women in Christ's service, the Gospel's mission mandate, and the Lord's prayer as basic for a practical theology of church growth and mission. It is an overview of a practical theology of ministry and mission based upon biblical exegesis.

The emphasis is on integrating jobs, professions and leisure with faith and mission.
