And once again she's got an itch only another man can scratch--specifically, her married boss. But when her scandalous ways catch up with her, she flees to the home of her best friend in St. Louis, Nikki Truth. Only Nikki is having marital problems of her own. . .

Nikki's husband, Donovan, has no idea what she was up to while he was out of the country. As Nikki does her best to reconnect with him, she must also deal with disturbing calls from a man with whom she had a brief affair. And when Donovan finds out, he sets on a path of destruction that may put Nikki and their son in danger.
