**The Ground Truth: The Untold Story of America Under Attack on 9/11' By JOHN FARMER** John Farmer (Author)

As senior counsel to the 9/11 Commission, John Farmer led the team charged with reconstructing the day's tragedies, and assisted in writing The 9/11 Commission Report. But many of the relevant records remained classified when the report was written, and the "ground truth" of the day was further obscured by the fundamentally false version of events that the government presented to Congress, the Commission, and the media. Farmer has written a definitive account that captures the full suspense and ultimate tragedy of 9/11, and enlarges-and breathtakingly revises-our understanding.
