Here for the first time in one place is everything you need to know about modern military combat. Drawn from dozens of the U.S. Army's well-written field manuals on every conceivable aspect of conducting combat operations, this huge compendium contains everything for any combatant anywhere—armed or unarmed and in all conditions and terrains, including:

- desert, jungle, mountain, and house-to-house fighting
- training for rifle, mortar, mines, and sniper operations
- mental preparedness, and leadership for combat and combat stress
- tank and artillery tactics
- forward and reconnaissance operations z construction of defensive positions
- combat in nuclear, biological, and chemical environments
- land navigation, map reading, first aid, and camouflage

Last but not least, this book also includes a complete section on hand-to-hand combat so that you can use your bayonet or kill with your bare hands. With hundreds of photographs and illustrations demonstrating priceless tips and techniques, if it's not in *The Ultimate Guide to U.S. Army Combat Skills, Tactics, and Techniques*, your Army of One don't need it!
