The Voice is All: The Lonely Victory of Jack Kerouac Joyce Johnson

In *The Voice Is All*, Joyce Johnson - coauthor of the classic memoir *Door Wide Open*, about her relationship with Jack Kerouac - brilliantly peels away layers of the Kerouac legend to show how, caught between two cultures and two languages, he forged a voice to contain his dualities. Looking more deeply than previous biographers into how Kerouac's French Canadian background enriched his prose and gave him a unique outsider's vision of America, she tracks his development from boyhood through the phenomenal breakthroughs of 1951 that resulted in the composition of *On the Road*, followed by *Visions of Cody*.

By illuminating Kerouac's early choice to sacrifice everything for his work, *The Voice Is All* deals with him on his own terms and puts the tragic contradictions of his nature and his complex relationships into perspective.
