Many of us may know the line, “We the people”, but how many of us know all that follows. Many of us are familiar with some of the “rights” we believe we are entitled to and that we think are included in the Constitution, but do we know without a doubt all the “rights” that this country was founded on? Think of this as your copy of America’s blueprint for success. When we understand exactly what is included in the founding father’s words, then we, as a country, can see how far we have come, how far we have ventured off course, and how far we need to go.

This book was written so that the American people in particular, and people worldwide, will know without a doubt what is included in the 10 most well-known documents of the United States, in an easier-to-read format.

Download this Book now and Learn What’s Included In:

- The Declaration of Independence
- The U.S. Constitution
- The Bill of Rights
- The Emancipation Proclamation
- The 19th and 13th Amendments
- The Civil Rights Act
- The Social Security Act
- Much, much more!
