Cinderella Amy Ehrlich

Cinderella's transformation from poor girl to princess never fails to captivate young ones, and this stellar retelling, exquisitely illustrated by Susan Jeffers, is a must for every library. When the original version of this book was published in 1985, *Publishers Weekly* called it "a treasure for all ages," and *The New York Times* declared, "Fairy-tale aficionados will be mesmerized." For this hardcover reissue, Susan Jeffers retouched her pen-and-ink and dye illustrations, making them even richer. Her brilliant artwork is showcased in a new interior design featuring a fifth-color gold border. Embossed gold foil type on the jacket of this large-format picture book trumpets the arrival of the girl who went from rags to riches.

From reader reviews:

Manuel Britton:

Hey guys, do you really want to find a new book you just read? Maybe the book with the subject Cinderella suitable to you? The book was written by well-known writer in this era. The book untitled Cinderella is the one of several books that everyone read now. This kind of book was inspired a number of people in the world. When you read this reserve you will enter the new age that you ever know ahead of. The author explained their thought in the simple way, thus all of people can easily to know the core of this publication. This book will give you a wide range of information about this world now. In order to see the represented of the world in this book.

Margaret Bonner:

A lot of people always spent their very own free time to vacation or even go to the outside with their household or their friend. Do you know? Many a lot of people spent these people free time just watching TV, or even playing video games all day long. If you want to try to find a new activity this is look different you can read any book. It is really fun for you personally. If you enjoy the book you read you can spend all day every day to reading a book. The book Cinderella it is rather good to read. There are a lot of people that recommended this book. These were enjoying reading this book. Should you did not have enough space to create this book you can buy often the e-book. You can more quickly to read this book from your smart phone. The price is not very costly but this book has high quality.

James Baker:

Do you like reading a reserve? Confuse to looking for your preferred book? Or your book has been rare? Why so many query for the book? But virtually any people feel that they enjoy with regard to reading. Some people likes examining, not only science book but in addition novel and Cinderella or maybe others sources were given knowledge for you. After you know how the good a book, you feel need to read more and more. Science guide was created for teacher or maybe students especially. Those ebooks are helping them to increase their knowledge. In some other case, beside science guide, any other book likes Cinderella to make your spare time more colorful. Many types of book like this one.

Della McDonald:

As a scholar exactly feel bored in order to reading. If their teacher questioned them to go to the library as well as to make summary for some reserve, they are complained. Just small students that has reading's heart and soul or real their passion. They just do what the educator want, like asked to go to the library. They go to at this time there but nothing reading significantly. Any students feel that reading is not important, boring in addition to can't see colorful photos on there. Yeah, it is being complicated. Book is very important for you. As we know that on this age, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore, this Cinderella can make you experience more interested to read.
