Excerpt from Dictionary of Latin and Greek Quotations, Proverbs, Maxims, and Mottos, Classical and Mediaeval, Including Law Terms and Phrases

Dictionary of Latin Quotations more copious, correct, and complete than any hitherto published had long been a cherished idea of the publisher, and awaited only time and circumstance for its development. Finding in the present editor a gentleman well qualified both by reading and industry to carry out his views, he placed the materials in his hands, and these with large additions, the fruit of further researches, are now laid before the reader.

The present collection differs from its predecessors in being limited exclusively to Latin and Greek quotations, the publisher intending, at a later period, to give French, Italian, Spanish, and German, in a separate volume. This arrangement has enabled him to nearly quadruple the number of Latin quotations given heretofore, and to extend the number of Greek from about twenty to upwards of five hundred; amounting in all to an aggregate of more than eight thousand.

About the Publisher

Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com)

This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
