From Book 1: Harlem Boyz Finest depicts a story of a group of men that have grown up together on the streets of Harlem, making money the only way they know how—hustling. But unlike most drug empires, the Harlem Money Makers Crew (HMMC) are also a group of entrepreneurs, with multiple legitimate business ventures to funnel their funds through.

Although the leader of HMMC, Dutch, loves his girlfriend with all his heart, he can't seem to keep it in his pants, his sexual conquests includes his identical twin brother's girlfriend, Neka, his kinky Parole Officer, and everyone in between. But when his twin, Butch, enlists Dutch's help with trying to find out who Neka is creeping with, Dutch is faced with having to lie to his brother for the first time in their lives. Yet rather than own up to his actions, Dutch decides to have Neka investigated, but neither brother is prepared for what is discovered when they go digging through all of Neka's skeletons.

While Dutch's personal life maybe shambles, business is better than ever and him and his crew is making money hand over fist, but when multiple situations arise that is out of their control, money won't be enough to solve all their problems. First, a member of their team is picked up by DEA with a large sum of product, and now maybe snitching. Next, the crew has to dispose of a thief amongst them. Then Pretty Boy, Dutch's right hand man, is locked up. However, jail proves to be very informative, when Pretty Boy finds out that they may have a snake in the crew. Now Dutch has to deal with all this drama and more before his empire starts to crumble.
