Narcissistic Personality Disorder is an unashamed disregard for other people, except for how they can be used. This entitled behavior is devastating, but especially for a narcissist's child. Drawing on her experiences with her narcissistic mother, the author explains Narcissistic Personality Disorder and the problems it causes, as well as ways to heal, and to manage a relationship with narcissistic parent or sever ties with them, all from a Christian perspective. Although this book is written from the perspective of a daughter with a narcissistic mother, the information is also pertinent to sons of narcissistic mothers or those with narcissistic fathers.
