After discovering that her husband has been cheating with a younger woman, Amy gives him the boot and decides to take the day off to sulk. When her incredibly attractive and well muscled neighbor Kellen knocks on the door and invites her over to eat, she can't say no.

They had briefly met once before, but it is the first time that they really get the chance to speak. They hit it off right away, sharing a similar sense of humor and an obvious attraction. Kellen takes off his shirt while working the grill, and Amy can do nothing but stare at his perfect torso.

"Do you have a photo shoot or something coming up?" she asks while ogling him. He rolls his eyes. "Do you moonlight as an action figure?" she can't help herself, he is that sexy. The sparks between them fly, and the flirtation escalates until Kellen is confessing that he has had his eyes on her for quite some time. He invites her inside after the meal, where the visceral pull they feel toward each other leads them straight to the bedroom.

They say that revenge is a dish best served cold, but in this case it is hot, hot, hot! Come along for this naughty rendezvous between a scorned older woman and her gorgeous next door neighbor.
