San Francisco's Playland at the Beach: The Golden Years James R Smith

Comprehensively documented and illustrated, this is the definitive and authoritative look at one of America's landmark amusement parks, Playland at the Beach, a glamorous park that is still revered by San Franciscans more than 40 years after it closed. A dearly loved part of old San Francisco, the park incorporated rides, dining, sight-seeing, socialization, and its pioneering attractions inspired the designers of the amusement parks that followed. A companion piece to "San Francisco's Playland at the Beach: The Early Years," this keepsake covers the years 1945 to 1972, showcasing both the height of Playland's postwar popularity and its decline, closure, and destruction during its final years. Illustrated by a huge collection of rare black-and-white and color photographs, it lets the reader experience the rides, attractions, restaurants, and behind-the-scenes operations of the great amusement park during its best-remembered period.

Sylvia Johnson:

Playing with family in a very park, coming to see the sea world or hanging out with friends is thing that usually you will have done when you have spare time, after that why you don't try matter that really opposite from that. 1 activity that make you not feeling tired but still relaxing, trilling like on roller coaster you are ride on and with addition of information. Even you love San Francisco's Playland at the Beach: The Golden Years, you are able to enjoy both. It is good combination right, you still would like to miss it? What kind of hang type is it? Oh seriously its mind hangout folks. What? Still don't have it, oh come on its referred to as reading friends.

Therese McGaha:

Reading a book to get new life style in this season; every people loves to go through a book. When you study a book you can get a lots of benefit. When you read guides, you can improve your knowledge, because book has a lot of information upon it. The information that you will get depend on what kinds of book that you have read. In order to get information about your study, you can read education books, but if you want to entertain yourself you can read a fiction books, these us novel, comics, along with soon. The San Francisco's Playland at the Beach: The Golden Years will give you a new experience in reading a book.

Betty Brown:

As a university student exactly feel bored in order to reading. If their teacher asked them to go to the library or even make summary for some publication, they are complained. Just minor students that has reading's spirit or real their pastime. They just do what the teacher want, like asked to go to the library. They go to at this time there but nothing reading critically. Any students feel that reading through is not important, boring along with can't see colorful photographs on there. Yeah, it is to be complicated. Book is very important in your case. As we know that on this age, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore this San Francisco's Playland at the Beach: The Golden Years can make you really feel more interested to read.
