### **Going Gay in Bootcamp**

All four of us were excited to be in boot camp. We all wanted to be Marines. Nobody minded the hard work, screaming Drill Instructors, bad food or lack of sleep. What we couldn't handle was no sex. Boot camp is thirteen weeks long. Is it possible to go that long without the touch of another person? Tyler was the first to suggest that we help each other out. We found an empty supply closet and got in a circle. My buddy's hand felt great but I wanted more. Soon we were discussing "brojobs". Could we go that far? Does that make us gay? What if we found out that we liked it?

### **Curious No More**

Scott has always fantasized about being with another man. He is happily married but still can't stop thinking what it would be like to experience sucking another man's cock. One day he decides to act on his fantasy and places a classified ad seeking another bi-curious male. Pete answers the ad and they begin a correspondence about their innermost desires. Finally it is time to meet. Will Scott follow through on his fantasies? What will it feel like to be with a man? Will reality live up to the fantasy?

### **Massage Turned Into Much More**

John had fantasized about experiencing another man for years but could never get up the nerve to try it. Finally he decided to get a massage from a man whose ad suggested that more than just a massage would be happening. John was nervous but excited. Could he follow through with this? What happens when the massage heats up? How far would John go?
