For hundreds of years Christendom has been blessed with Bible commentaries written by great men of God highly respected for their godly walk and their insight into spiritual truth. The Crossway Classic Commentaries series presents the very best work on individual Bible books, carefully adapted for maximum understanding and usefulness for today's believers.

John's epistles have enriched and equipped followers of Christ down through the centuries. The themes—such as walking in the truth, acknowledging our proneness to sin, being wary of the lies of antichrist, and denying ourselves the empty enticements of the world—continue to be invaluable for the people of God.

This classic commentary will help contemporary Christians obtain a deeper understanding of the letters of John and experience a growing godliness in the process.
